## OUR BRAND ESSENCE

### EMPOWER

Eco-sustainability efforts by partnering with like-minded groups to build a better environment for future generation

### SUSTAIN

The environment by actively engaging and advocating for more green manufacturing efforts among local organizations

### TRANSFORM

The mindsets of the young generation to become more environmental friendly by embracing green activities

The Made in Kenya brandmark seeks to position Kenyan products as premium products in the local and international markets.

It's not just a brandmark- It's differentiation, market access, higher sales and job creation.
